— Union not notifying employee of the withdrawal of objections to his being hired liable for his back pay. Sept. 1010.

— Interference. Employer interrogation of employees about union affiliation is legal if no reprisal is implied. Aug. 1v; Oct. 1132.

— Employer negotiating revised agreement with incurrence the union while representation election.

with incumbent union while representation election

was pending. June 664.

Employer taking pictures of a peaceful picket line and threatening reprisal. Nov. 1248.

Union's payment to "car pool" drivers for transporting passengers to polls on election day not a violation. Mar. 300.

- Jurisdictional disputes. Between Pipefitters and Riggers, both AFL unions, Philadelphia. June 864-665.

- Jurisdictional standards. Board jurisdiction in a case involving a plant commissary engaged in interstate commerce refused. Mar. 301.

- Board jurisdiction not affected by temporary loss of business by an employer whose normal

operations met requirements. July 784.

Electric cooperative corporation supplying rural members. Jurisdiction refused. Jan. 60-61.
—— Manufacturer selling product intrastate to

an intrastate business that in turn sells to large interstate company. Feb. 186.

— Previous orders to be enforced, despite changes in jurisdictional standards. Dec. IV.

— Longshoring. New York Docks, See Longshoremen—New York Docks.

 Non-Communist affidavits. Fur and Leather Workers' Union declared out of compliance following its president's conviction for filing false affi-davit. July 793.

Representation election. Contract terminableat-will a 2-year bar to election. Aug. 900.

Eligibility of probationary employees.

— Formal petition by rival union with claim to less than majority status held valid. Oct. 1133-

General Electric employees at Schenectady,

N. Y., and Newark, N. J., plants elect to be represented by CIO Electrical Workers instead of Electrical Workers (Ind.). Aug. 907.

Longshoremen. New York Docks. See Longshoremen—New York Docks.

Maritime, West Coast. Cooks and stewards on American-flag ships. Between AFL Cooks and Stewards and Marine Cooks and Stewards (Ind.). Mar. 309.

Ordered because job reclassification by terminal transport company affected earlier election. Apr. 438-437.

— Ordered for CIO Packinghouse Workers and AFL Meat Cutters of Swift & Co., of Moultrie, Ga., held Oct. 8, 1954. Results. Nov. 1253; Dec.

Petition dismissed as petitioning employees failed to meet requirements of formalized action following alleged schism in the union which was bargaining representative. Apr. 436.

Preelection speech by employer with privileged no-solicitation rule does not oblige employer to grant union request for opportunity to reply. Feb. 185.

- Preelection speeches by both employers and unions prohibited on employer's premises during National Labor Relations Board-Continued working hours within 24 hours of NLRB election. Feb. 185.

- Preelection statement by employer that he would not recognize union if it won and preelection letters to employees do not invalidate election Jan. 60. results.

Signing of contract before end of certi-

trication year not a bar to election petitioned by other union. Aug. 1v; Sept. 1009.

Use of marked sample copy of official ballot in preelection campaigning not permissible. Nov. 1248.

Secondary boycott. Picketing at common work site which affects employees of neutral employers a violation. Nov. 1245.

— Picketing retail customers of employer during recognition strike. Feb. 186.

Refusal of members of two disinterested unions to cross a picket line of third union not a violation. Dec. 1367.

Union locals inducing employees of local — Union locals inducing employees of localgrocery and drayage companies to delay unloading over-the-road trucks making deliveries to
the companies in effort to force over-the-road
truckers to hire local union helper. Feb, 186.

— Seniority. Contract provision giving union
control over controversies illegal. Mar. 301-302.

— Strikes. Employees who strike 60 days after
notice of modification of contract but before its
expiration not protected. Nov. 1246-1247.

— Employees protected by act in strike
called 6 months after termination of notice for
modification of contract. Oct. 1133.

— Successor employer, obligation of. Purchaser of

modification of contract. Oct. 1135.

— Successor employer, obligation of. Purchaser of business not responsible for remedying unfair labor practices of predecessor when business was purchased after issuance of Board order. Oct. 1134.

— Temporary lockout. Laying off truckdrivers by members of multiemployer association as a result of strike against one member not a violation. Oct. 1132-1133.

Jurisdictional standards. Revision of criteria for coverage and new rules, June and July 1954.

July 1v; Aug. 111; Sept. 998-999, 1016.

Non-Communist affidavits. Administrative investigation of truth of non-Communist oath filed by secretary-treasurer of Mine, Mill and Smelter Workers (Ind.), Sept. 1954. June 671; Dec. 1387.

— NLRB enjoined from applying policy of holding in shewance representation cases involving unions.

in abeyance representation cases involving unions with officers under indictment for filing false affidavits. (U. S. dist. ct.) Jan. 80. Injunction upheld (U. S. ct. of app.) Feb. 184. Case denied review. (U. S. Sup. Ct.) June 611.

— NLRB without statutory authority to deprive the compliance status by inquiring as to

unions of compliance status by inquiring as to falsity of affidavits previously filed with the Board by union officers. (Ruling of U. S. ct. of app. upheld by U. S. Sup. Ct.) Feb. 184; June
